2 ANGRY MOMS

Amy Kalafa and Susan Rubin are two angry moms on a mission: **To get school districts to serve fresh, healthy foods** rather than the neon green slushies, greasy fries, supersized cookies, and other junk food that have become the norm in school cafeterias across the nation. See interview with the filmmaker/producer on page 16 in the current issue of HopeDance (or visit www.hopedance.org). See the trailer at <http://tinyurl.com/2x5wnl>
